LIMITATIONS OF USE

Protection will only be offered if the ear defender is fitted correctly
Ear pads may deteriorate with use and should be examined at frequent intervals
Do not apply paint, solvents, adhesives or self-adhesive labels, except in accordance with instructions from the manufacturer
The ear pads, when in contact with the skin may cause allergic reactions to susceptible individuals
If this occurs leave the hazard area, remove the ear defender and seek medical advice
If the ear defender is to be worn for long periods the noise level must be reduced to 80dB
Before selection of a suitable ear defender a noise survey should be carried out
Spectacle frames and hair between the ear pads and the head may affect the performance of the ear defender
Hearing Protection should be used in accordance with the local legislation in force at time of use
